

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present preliminary amendment a new Abstract believed to be in more proper format under United States practice is submitted.

Further, claims 1-11 are canceled without prejudice and new claims 12-22 are presented for examination. New claims 12-22 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter.
